"I had a very bad attack of La Grippe which laid me up at a time when I had important cases before the court. One of my colleagues advised me to try Kickapoo Indian Sagwa which I did. Within 24 hours my fever was allayed and a general improvement had taken place. I continued taking Sagwa and in less than two weeks fully recovered. It toned up my general system increased my appetite and improved my digestion. I am a great believer in Sagwa."—Hon. Geo. P. Kelly, President South End Bar Association, Chicago, Ill.
